

Brenau University's Department of Dance

DAYS OF DANCE

OCTOBER 26-27, 2024

This is an opportunity for high-school-aged dancers to experience what it is like to be a dancer at Brenau University. This is a wonderful opportunity to enhance your craft, experience dance on the college level, and have fun! Dancers will have the opportunity to interact with Brenau University Dance Department faculty, staff, and current dance majors. This is a great way to explore Brenau's campus and audition for the Brenau Dance and Brenau Summer Dance Intensive.
